Ident No.: 21011

The Einhell cordless impact wrench IMPAXXO 18/230 with the brushless motor offers more power and a longer running time than a carbon brush motor. As a member of the Power X-Change family, every system battery is used on all models in the series. The screwdriver with high torque ensures sufficient power to loosen even tightly seated wheel nuts. Despite its performance, the IMPAXXO 18/230 is a lightweight in its class, which makes it comfortable to use. In addition, it has a robust 1/2" external square socket, and a bit adapter for screwing is included in delivery. The integrated LED light illuminates the work area.
