

## COUGAR CPU Water Cooling Poseidon Vistek 240, ARGB, White

**Brand :** COUGAR

**Product code:** 3MPUA240.0002

**Product name :** CPU Water Cooling Poseidon Vistek 240, ARGB, White

- 1.9-inch digital display delivers real-time performance metrics readouts.
  - Single-frame PWM fans ensure streamlined connectivity, precision-controlled cooling and vibrant RGB lighting.
  - Right-angle contoured UTTERRIGHT radiator fins expands surface area for superior thermal efficiency.
  - Supports AMD AM5 and Intel LGA 1851 sockets.
  - The rotatable pump head allows for perfect display alignment in any setup.
- ARGB 240, LGA1851 / LGA1700 / LGA1200 / LGA115X / LGA1366, AM5 / AM4 / AM3 / AM2 / FM2 / FM1, 2500 RPM Fan, White
- COUGAR CPU Water Cooling Poseidon Vistek 240, ARGB, White. Type: All-in-one liquid cooler, Fan diameter: 12 cm, Rotational speed (min): 700 RPM, Rotational speed (max): 2500 RPM, Maximum air pressure: 5.4 mmH2O. Product colour: White

| Performance                          |                                   | Power                       |                     |
|--------------------------------------|-----------------------------------|-----------------------------|---------------------|
| Suitable location *                  | Processor                         | Rated voltage               | 12 V                |
| Type *                               | All-in-one liquid cooler          | Fan power consumption       | 6.72 W              |
| Fan diameter                         | 12 cm                             | Pump power consumption      | 2.4 W               |
| Supported processor sockets          | LGA 1851, LGA 1150 (Socket H3),   | LED voltage                 | 5 V                 |
|                                      | LGA 1151 (Socket H4), LGA 1155    | Pump voltage                | 12 DC               |
|                                      | (Socket H2), LGA 1156 (Socket H), | Pump current                | 200 mA              |
|                                      | LGA 1200 (Socket H5), LGA 1700,   | Fan current                 | 0.56 A              |
|                                      | Socket AM3, Socket AM4, Socket    | LED power consumption (fan) | 5 W                 |
|                                      | AM5, Socket FM1, Socket FM2       |                             |                     |
| Rotational speed (min)               | 700 RPM                           | Weight & dimensions         |                     |
| Rotational speed (max)               | 2500 RPM                          | Radiator width              | 27.2 cm             |
| Noise level (high speed)             | 38 dB                             | Radiator depth              | 12.1 cm             |
| Maximum airflow                      | 78.2 cfm                          | Radiator height             | 2.7 cm              |
| Maximum air pressure                 | 5.4 mmH2O                         | Tube length                 | 39 cm               |
| Pulse-width modulation (PWM) support | ✓                                 | Waterblock width            | 7 cm                |
| Pump connector                       | 3-pin                             | Waterblock depth            | 7 cm                |
| Pump motor speed                     | 2700 RPM                          | Waterblock height           | 5.9 cm              |
| Design                               |                                   | Fan dimensions (W x D x H)  | 243.6 x 125 x 25 mm |
| Product colour *                     | White                             | Package width               | 350 mm              |
| Radiator material                    | Aluminum                          | Package depth               | 222 mm              |
| Number of fans                       | 2 fan(s)                          | Package height              | 143 mm              |
| Illumination LED                     | ✓                                 | Package weight              | 1.8 kg              |
| Illumination colour                  | Multi                             |                             |                     |
| LED connector type                   | 3-pin                             |                             |                     |
| Fan connector                        | 4-pin                             |                             |                     |
