Games Greedy Gator Kids Game for 2 Players, Fun for Family and Game Nights:

Greedy Gator kids game is crazy fun as players race to get their movers across the bridge to the other side. But watch out there's a sneaky alligator ready to knock them off before they can get there! Players roll the gator under the bridge to see how many spaces they get to advance on their turn, but when they do, they may knock their opponents' (or even their own!) movers off the bridge! The first player to get three of their movers to the other side wins. Great gift for game lovers 5 years old and up. Colours and decorations may vary.
